

Assisted Intelligence

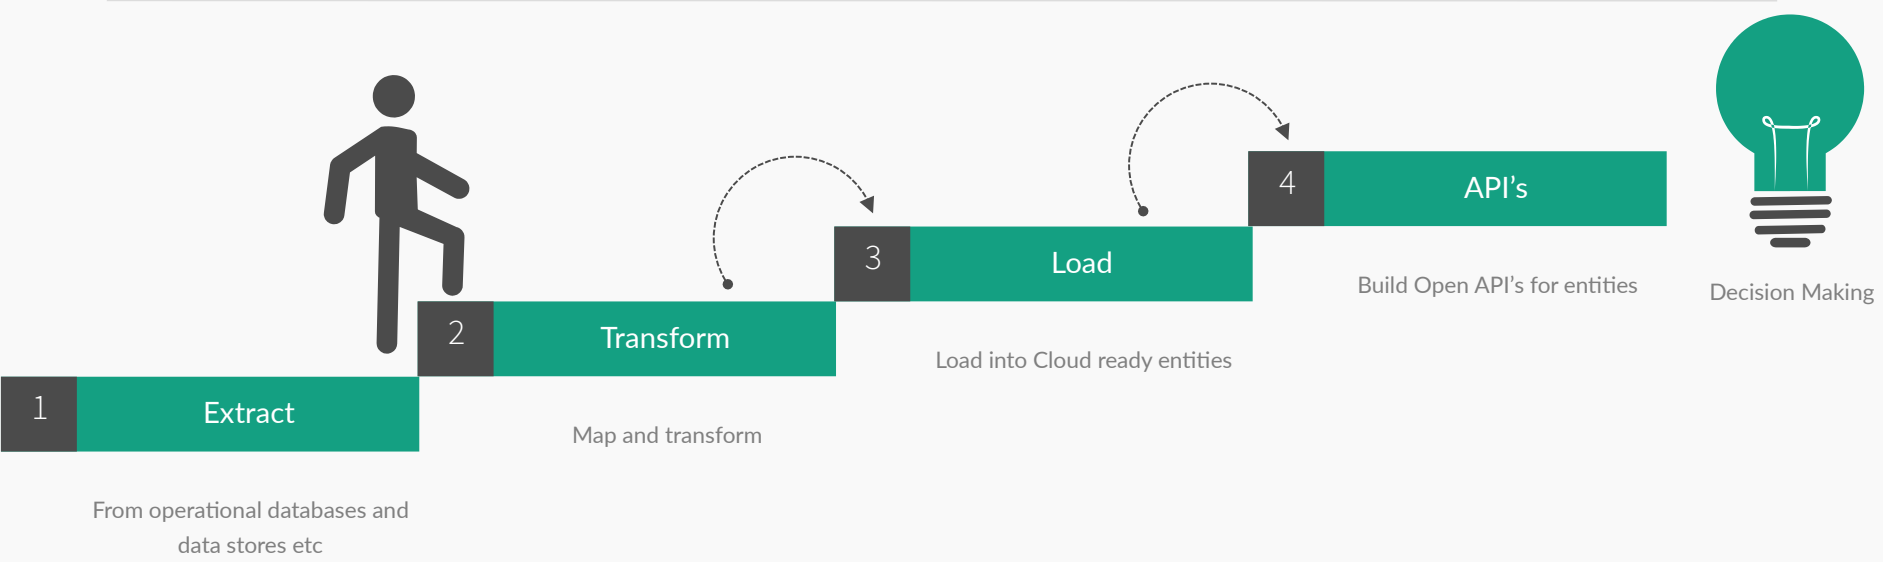

A SASTRA Technologies initiative

Sridhar Pandurangiah
Chief Technology Officer

Assisted Intelligence - Process Steps

Intelligence from existing data

AI Highlights

Inset your subtitle here. This is a good space for a short subtitle

Upgrade and Maintain

Databases and Datastores

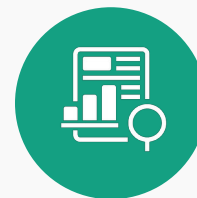

Continuous Integration

Every commit to the API is tested and integrated

Automated Delivery

Automatic deployment when builds are successful

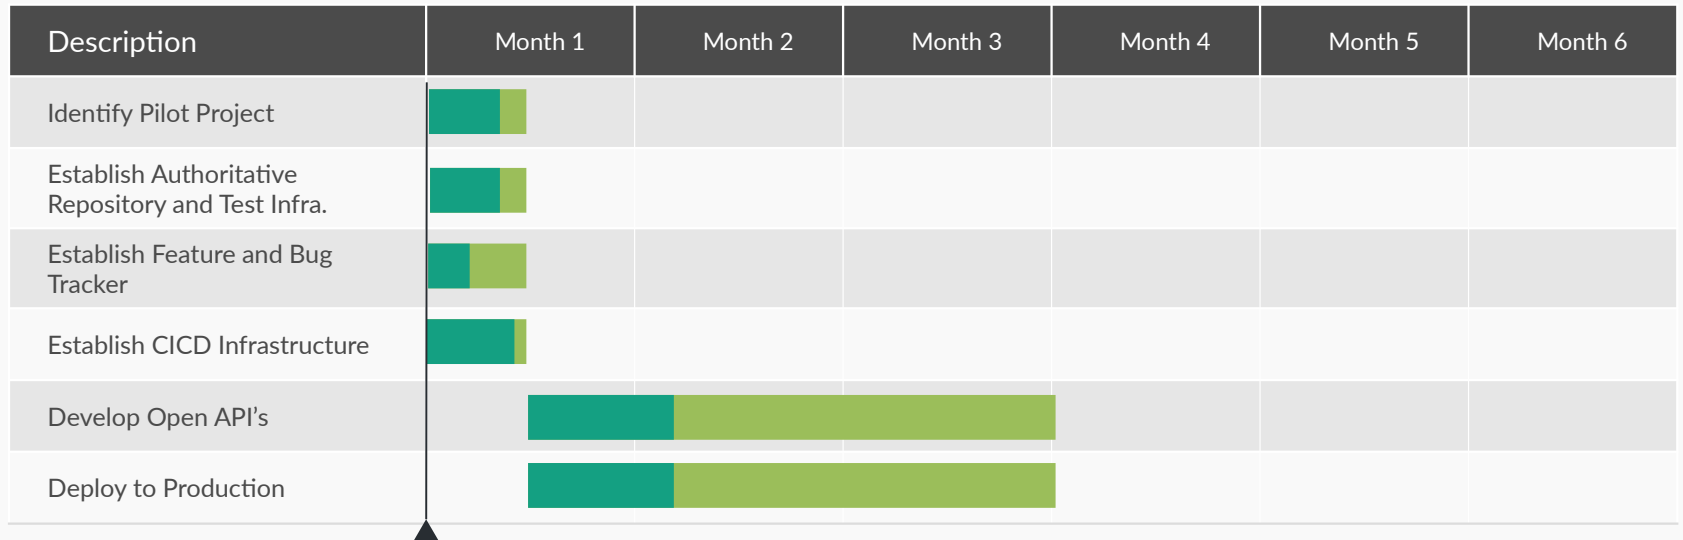

Intelligence

Dashboards and Reports

To see our delivery pipelines in action reach out to us on [LinkedIn](#).

Sample Project Schedule

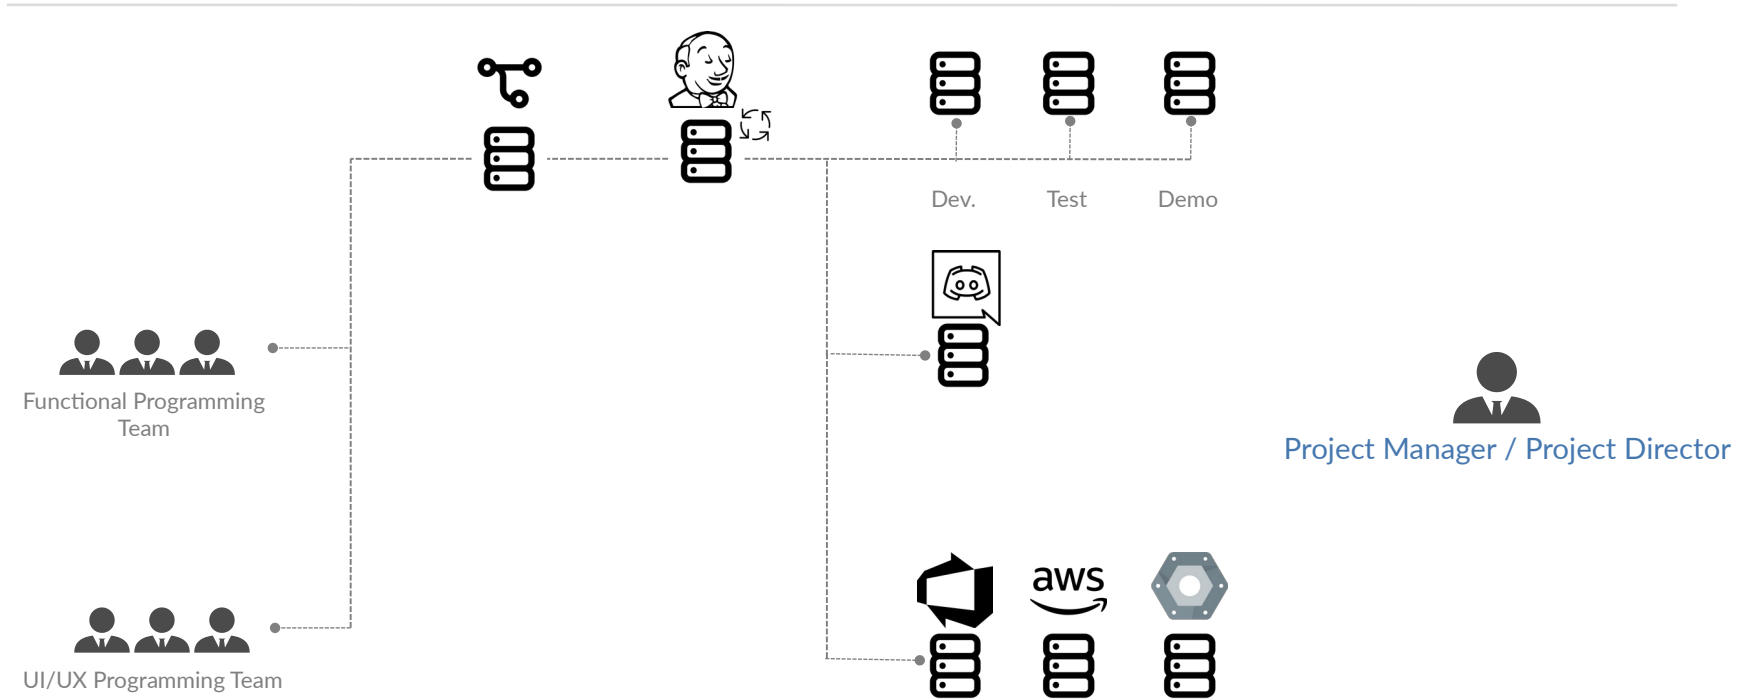

Ninety day Implementation

 Early adopters  Other Teams

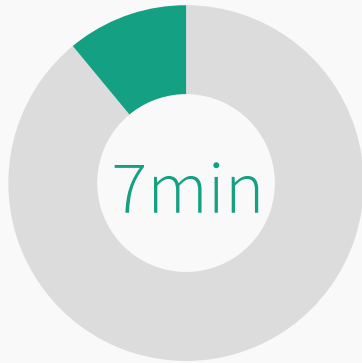

Project Structure

Full Stack Team

Project – Metrics

Our current metrics

Build duration

To test and build

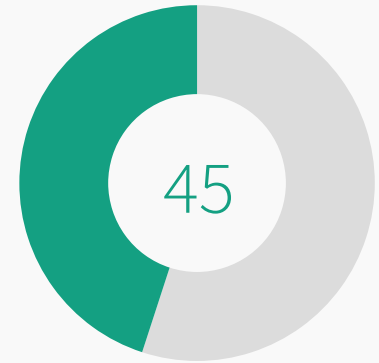

Deployment Duration

To deploy on a server

Total Build Hours

(3 months x 4 weeks / month x
3 deployments / week x 7 min)

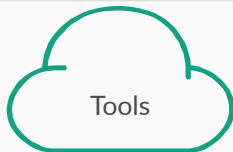

Deployments / Week

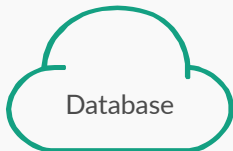

Maximum deployments per
week

Sastra's Acceleration Stack

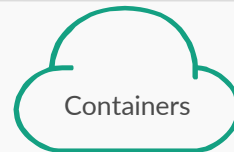

Cloud and Enterprise
